

# User

ARTICLE

The screenshot displays the 'Search User' page in the habbl system. The interface includes a sidebar with navigation options, a search bar, an 'ADD USER' button, and a table of users. Red circles 1-4 highlight key features:

- 1. Table header (NAME, E-MAIL, TYPE, STATE)
- 2. Search bar
- 3. Add User button
- 4. Filter results section

NAME	E-MAIL	TYPE	STATE
Training 1	training@fleetboard-logistics.com	User	Active
Training 2	training2@fleetboard-logistics.com	User	Active
User Fleetboard Logistics	user@fleetboard-logistics.com	User	Active

1. If you select the menu item 'User' within the administration area, you will have a list of all users created in your company account. This list contains information about a user's name, e-mail address, type, and status. If you click on one of the lines in the list view, you get to the detail view of an individual user. In the side bar the tab "open elements" appears which shows all opened user elements.
2. You can search for specific users in this list view via the search bar. Simply enter the name of the user you are looking for here.
3. You can add a new user via the button with the plus icon and then assign specific permissions to this user.
