

Transfer a tour to a device

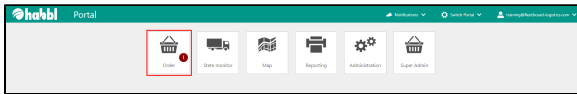

ARTICLE

VIDEOTUTORIAL

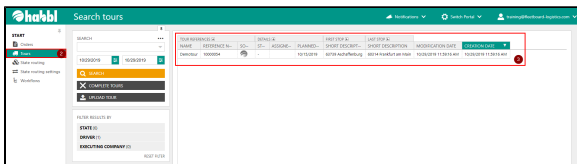

To transfer a tour to a device you have to go in the habbiPortal to the section **Order**.

The following screenshots show you the individual steps.

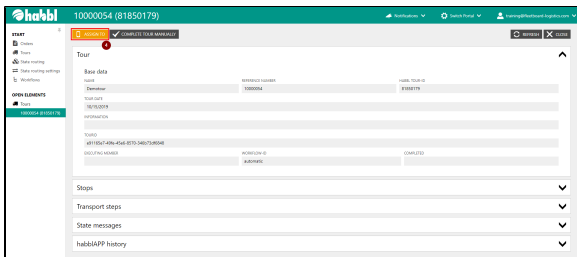

Your browser does not support the HTML5 video element

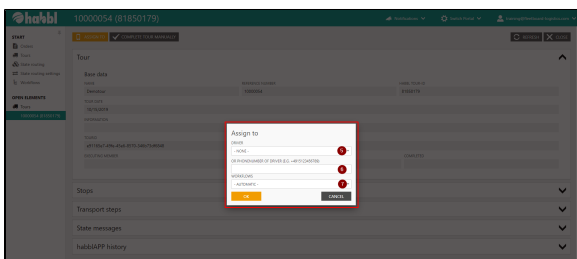

1. Click on the section **Order**
2. In the navigation area click on **Tours**
3. Here you see the **current tours**. Click on a tour to get more information and to **assign the tour to a device**

4. Click on **ASSIGN TO**

5. Choose a linked driver
6. Or type the **Phonenumber** of the driver
7. Select a workflow and click **ok**

 Tour assigned successfully
