

Getting Started (english)

Thank you very much for choosing habbl.

To give you a quick and easy start in the habbl world, we would like to explain the basics of the habblPORTAL (web platform) and the habblAPP on the following pages. You will get a general overview of the administration in habbl, but also the registration of habblAPP for immediate use.

blocked URL You have questions beyond that?

Please contact our support team, we will gladly answer your questions.

Either write an e-mail to support@habbl.de or create a ticket via support.habbl.de (habbl Service-Desk).
